## **PROFESSIONAL EXPERIENCE**

Web Developer, TedXYouthToronto — 2016 - Present

- Developed the conference website using Jekyll.

Freelance — 2015 - Present

- Developed and shipped websites and design work for a variety of clients ranging from startups to nationally recognized institutions.

Designer/Webmaster, CUSEC — 2014 - 2016

- Led the design team to create sponsorship packages, conference booklets, posters, logo, and website.

Developer, Design Cougar — 2014 - 2015

- Worked with a designer to develop and ship websites and design work

Web Developer, Lassonde School of Engineering — 2013 - 2014

- Tasked with creating and maintaining a website for an international conference and designed promotional material.

Head Delegate, CUSEC — 2013 - 2014

- Started the York University delegation and organized funding and travel plans for all delegates. The York delegation has grown from 2 students to over 20 in 3 years with my help.

## **EDUCATION**

- York University — BA Information Technology, 2011 - Ongoing

## **SKILLS**

- Proficient in HTML, CSS, Javascript, AngularJS, Ruby on Rails, Adobe Creative Suite
- Strong communication skills, self-motivated and able to take initiative

## **PROJECTS**

### **Submitago**

- Developed a Moodle clone using Ruby on Rails. Submitago is an app that is designed to offer a more intuitive and cleaner way of allowing a professor to run his class or a student to submit their assignments.

### **Good Morning Mirror**

- Developed a voice controlled “mirror” using Javascript and a variety of Javascript libraries that pulled relevant data in real time and displayed it to the user.
