PROFESSIONAL EXPERIENCE

Web Developer, Flixel - 2017 to Present

Maintaining the web app and Wordpress blog. Works with the marketing team to deliver marketing pages. Maintains the Cinemagraph player. Worked with the design team to develop a design refresh for the website.

UI Developer, The Pixel Shop - 2016 to 2017

Developed and maintained a series of websites for a number of Canadian clients within short timelines. Major accomplishment was delivering The Glenn Gould School website , developed in Jekyll, within a short time span.

Freelance - 2015 to 2016

Contract work for a variety of clients ranging from start-ups to established companies and organizations. The contract work consisted of designing and developing websites and applications.

Lead Developer, Design Cougar - 2014 to 2015

Design, front-end development, and product management for a variety of small to medium-scale web and mobile applications

Web Developer, Lassonde School of Engineering - 2013 to 2014

Designed and developed a website for an international conference. Designed promotional material for an international conference and department of Earth, Space, Science Engineering

Education

York University - BA Information Technology, 2016

Skills

- Proficiency in HTML5, CSS (LESS & SASS), Javascript (Vanilla, JQuery, AngularJS), Versioning (GiT), Sketch, Jekyll
- Knowledgeable in PHP (Vanilla) and Wordpress
- Responsive front-end development for applications and web sites
- User Interaction Design and Development

Volunteer Experience

Web and Design Advisor, CUSEC - 2016 to Present

Assisting with design and web decisions. Involved with providing help on making sure objectives are being met and providing assistance to junior members.

Designer/Webmaster, CUSEC - 2014 to 2016

Led the design team to create sponsorship packages, conference booklets, posters, logo, and website.

Head Delegate, CUSEC - 2013 to 2014

Started the York University delegation and organized funding and travel plans for all delegates. With my help, the York delegation grew from 2 students to over 20 in 3 years.
